

## **INITIAL PARTICIPATORY ARTS FACILITATION TRAINING**

### **Appendix 8**

#### **Agored Cymru information**

Hi Anna,

Great to talk to you this morning, the potential for this sounds very exciting. Below are some costs based on the areas we spoke about, if at any stage you think it would be worth us all meeting please let me know.

#### **Centre Recognition costs**

This is where organisations set up as an Agored Cymru accredited centre in their own right. The centre will incur a £800 centre recognition fee and incur an annual fee every year after that of £530. These costs cover any curriculum support, admin support and Quality Assurance support including annual Quality Review visits and External Verification. There is an assumption that our centres will offer a minimum of 180 credits annually; centres will be charged for the first 180 credits upfront (£550) each year. Following that, the normal charge of £3.06 per credit is applied, this is charged on achievement of credit.

To become an accredited centre, organisations will need to work through our centre recognition process to ensure that we are satisfied that they have all the training expertise and quality assurance in place to ensure high quality accreditation.

As I mentioned on the phone the 4 organisations could potentially work in partnership to become one centre, spreading the costs across the organisations.

#### **Qualification Development**

Based on the information you gave me for a Level 4 Diploma qualification, this will be a minimum of £7,000 (this is a guide only). For a Diploma this will be need to be a minimum of 40 credits. Here is a link to our website on qualification development, the QD1 form will need to be submitted to us at the start of the process.

As is the case for all awarding bodies in Wales, all our qualifications are regulated by Qualifications Wales.

I hope this helps, please let me know if you need anything else.

Look forward to hearing from you again soon,

Kind Regards

**Rhys Griffiths**
